

INDIGENOUS MONEY HEALTH

MAKING SURE YOU
AND THE MOB
ARE SET FOR THE
FUTURE

LOOKING AFTER
YOUR MONEY

MOVING FROM
RELIANCE TO
FREEDOM

IS MONEY A
STRONG PART OF
YOUR LIFE?

INDIGENOUS MONEY HEALTH *Capacity Building*

Building financial capability in Indigenous Australia can foster an ethos of financial independence within Indigenous communities to promote values of self-reliance, hope, self-welfare and community pride.

This **one day workshop** will provide you with financial mentoring, support skills, and ongoing resource tools, so you can increase your financial confidence and the confidence of your Indigenous job seekers and / or your or their community. The Indigenous Money Health Program is a free training and made available by the support the ECSTA Foundation.

Learning outcomes

- Sound understanding of commonly used Indigenous Money Health methodologies
- Ability to communicate financial literacy and competency methodologies to clients
- Ability to help clients implement Indigenous Money Health tools; and
- Ability to efficiently report on outcomes with qualitative and quantitative data

Agenda includes:

- Identify financial goals and priorities
- Developing and implement personal budget
- Develop and monitor savings
- Ongoing financial management
- Undertake post evaluation participation survey
